Optimal Personalised Treatment of early breast cancer using Multi-parameter Analysis

We reached a **major** landmark in August, a

fantastic **1000** patients recruited between OPTIMA prelim and OPTIMA main...

for all your hard work and support!

52 patients were recruited in August. **Congratulation** to top recruiters **Beatson Oncology Centre** and **NHS Lanarkshire**, with 4 patients each.

Please continue to screen and approach potential participants.

Recruitment update: 1024 (31/08/18)

OPTIMA prelim-412 OPTIMA main-612

Recruitment tip of the month: Supporting your surgical colleagues to introduce OPTIMA to eligible patients.

Last month we sent you new OPTIMA Guides for Surgeons and Breast Nurse Specialists and a batch of Patient Information Flyers. Why not use these documents to have another conversation with your surgi-

cal colleagues about how they prepare eligible patients for a discussion with an oncologist about OPTIMA.

OPTIMA Regional Recruitment Meeting

Manchester is the next stop for the OPTIMA team on Tuesday 25th September, 5:30pm and 8pm at Didsbury House Hotel. For more information and to reserve a place contact Caroline Jevons at optima@warwick.ac.uk

OPTIMA Audio-Recording

If you have an audio-recorder, please ask your next eligible OPTIMA patient if you can record the appointment.

If you've yet to record, please get in touch as currently I have a few audio-recorders available.

We use the recordings in a range of activities to support recruitment, such as training and keeping tips and guidance documents as up do date and useful as possible.
